

October Investment Special

Terms and Conditions

Invest in an eligible StashAway investment portfolio between 19 and 30 October 2026 and earn a rebate of 0.25% on the amount you invest.

1. Eligibility: All existing StashAway Malaysia clients.

2. How to take part: Apply the promo code **GROWTH26** before you invest. Investments made without the code do not qualify.

3. Promotion period: 19 to 30 October 2026. Funds must be invested in an eligible portfolio by 30 October 2026.

4. Eligible portfolios: All StashAway managed investment portfolios, including General Investing powered by StashAway, General Investing powered by BlackRock®, Goal-based Investing, Flexible Portfolios, Thematic Portfolios, Responsible Investing, and Global Shariah Portfolio.

Not eligible: Cash management (Simple and USD Cash Yield) and ETF Explorer portfolios.

5. Qualifying deposits: Bank transfers, FPX, and recurring deposits into an eligible investment portfolio. Transfers from your StashAway cash management portfolios also qualify. Transfers from any other StashAway portfolio (e.g., ETF Explorer) and between investment portfolios (e.g., from General Investing powered by StashAway to Flexible Portfolios) do not.

6. Holding period: Maintain your qualifying deposits in eligible portfolios for 90 days.

7. How the rebate is calculated: The rebate is 0.25% of your net qualifying investment at the end of the 90-day holding period.

Net qualifying investment = Total qualifying investments made during the promotion period, minus any withdrawals from your eligible portfolios between 19 October 2026 and 31 January 2027.

Transfers between your own eligible portfolios are not treated as withdrawals. However, transferring funds from an eligible portfolio to an ineligible portfolio will be treated as a withdrawal.

Example: You invest RM10,000 in October, but withdraw RM5,000 in December. Your net qualifying deposit is RM5,000, and your rebate is RM12.50.

If your net qualifying deposit is zero or less, no rebate is paid.

8. More than one portfolio: If you funded more than one eligible investment portfolio during the promotion period, the rebate is prorated across them in proportion to what you invested in each.

9. Payout: Rebates are paid in MYR by 28 February 2027 into the portfolios that earned them. If a portfolio is closed before the rebate is paid, the rebate for that portfolio is forfeited.
